We are excited to announce our school-wide deployment of Edmodo!

In the coming days, we will conduct teacher trainings to demonstrate how we can use Edmodo to enhance collaboration and learning across our classrooms, schools and professional learning communities.

Please join our school community by following these easy steps:

- 1. Please go to www.visitation.edmodo.com**
- 2. If you already have an Edmodo account, log in with your existing credentials. If you do not have an account, sign up by selecting the “I’m a Teacher” button.**
- 3. Enter your school code**

Edmodo is a free and secure social networking platform for teachers, students, parents and school administrators. Our school-wide deployment will give us access to advanced features that allow us to communicate more effectively across the district.

If you would like more information on getting started, attend an Edmodo webinar at <http://edmodointro-eorg.eventbrite.com/>.
