Best Practices for Safe Social Networking
- Encourage students to create their own accounts to ensure password safety
- After all students join your group, lock the group code to prevent others from joining
- Monitor group membership to ensure only students in your group have joined
- Educate students on proper online etiquette
- Use “Read-Only” status to curb inappropriate behavior
- Always log in through your subdomain
- If your school or district does not have a subdomain, claim one at http://www.edmodo.com/institutions

Action Items
